Dear STC Supporter:

Your contribution to the Rising Stars program will help the Orlando Chapter to:

- replenish the Pellegrin Memorial Scholarship Fund for top technical communication students at UCF
- continue our highly successful annual high school technical writing competition
- sustain the chapter’s overall operating budget

thereby supporting and extending our professional development initiatives for all of our members. So, give up your “Star” bucks for a Rising Star today. We appreciate any amount – no donation is too small.

In return for your generosity of \$25 or more, you will receive a certificate of appreciation from the Orlando Chapter STC and the option to have your name listed in the spring issue of our Memo to Members newsletter (you may also remain anonymous if you prefer).
