

# Debra Johnson

## Career

---

### What Do I Do?

- Content Strategist, Developer, and Documentation Manager

### How Did I Get Here?

- 25-year career in planning the creation, delivery, governance, and curation of useful, usable, and appropriate content in a user's experience

### Why Do I Love It?

- It's never the same
- It's challenging
- Not everyone can do it
- Establishing relationships with Content Owners

### What Helped Me Along the Way?

- Having different types of positions in different industries
- STC member collaboration
